About Austal:

Austal is Australia's global shipbuilder and defence prime contractor designing, constructing and sustaining some of the world's most advanced commercial and defence vessels.

For 35 years Austal has contracted more than 350 vessels for over 122 commercial and defence operators in 59 countries, worldwide.

Austal is Australia's largest defence exporter and first ASX-listed shipbuilder. Austal has industry-leading shipyards in Australia, the United States of America, Philippines and Vietnam with service centres worldwide.

Austal delivers iconic monohull, catamaran and trimaran commercial vessel platforms – including the world's largest trimaran ferry and multiple defence programs such as the Littoral Combat Ship (LCS) and Expeditionary Fast Transport (EPF) for the United States Navy.

Austal is the only foreign-owned prime contractor designing, constructing and sustaining ships for the US Navy.

Austal has grown to become the world's largest aluminium shipbuilder and is Australia's largest defence exporter.
